Part C - Financial Aid About Group 2

Group 2 students are all full-time, first-time degree/ certificate-seeking undergraduate students enrolled in Fall 2009

For this part, report:

- * Unduplicated student counts within a given aid category (e.g., Pell grants). However, a student can appear in more than one aid category
- * Only grant or scholarship aid received by Group 2 students from the federal gov't, state/local gov't, and from your institution. Do not include grant or scholarship aid from private or other sources (e.g., Rotary Club Scholarship)
- * Loans to Group 2 students from the federal gov't and from other sources (including private loans). Do not include PLUS loans (which are made to the parent of the student).
- * Financial aid received by Group 2 students at any time during the full aid year (academic year 2009-10).

Note: Two aid categories in this section are further disaggregated into subcategories. Because students may receive more than one type of aid, the sum of the values you enter in the subcategories will not necessarily equal the value you enter in the aid category. However, the total number of students reported for the aid category cannot exceed the sum of subcategories. (For example, the number of students receiving federal grants cannot exceed the sum of the number of students receiving Pell grants and the number receiving other federal grants). In addition, the total number of students reported for an aid category must be at least as large as the largest of those reported in a subcategory.
