**Section III - Graduation Rate - Transfers/exclusions**

- In the columns below, report the status of the OTHER THAN A BACHELOR'S DEGREE-SEEKING STUDENTS reported in the subcohort in Column 10, who did not complete a program as of August 31, 2012.
- Report transfers-out who did not complete a program in Column 30. If the mission of your institution includes providing substantial preparation for students to enroll in another eligible institution WITHOUT having completed their programs, you must report transfer-out data in Column 30. A school is required to report only on those students that the school knows have transferred to another school. A school must document that the student actually transferred. If it is not part of your mission, you may report transfer-out data if you wish.
- Report exclusions from the cohort in Column 45. The ONLY allowable categories for this column are:  
students who died or became permanently disabled  
students who left school to serve in the armed forces (or have been called up to active duty)  
students who left school to serve with a foreign aid service of the Federal Government  
students who left school to serve on an official church mission
- Column 52 [No longer enrolled] will be calculated for you. This will include students who dropped out as well as those who completed in greater than 150% of normal time.
- If you do not have any values to enter in either Columns 30, 45, or 51, you must enter at least one zero in a field on this screen
